

DAPSI

DATA PORTABILITY & SERVICES INCUBATOR

DAPSI

Sara Mateo, Project Coordinator
Zabala Innovation Consulting

09/03/2022

FUNDED
BY

This project has received funding from the European Union's H2020 research and innovation programme under Grant Agreement no 871498

Why DAPSI?

New Regulation

The General Data Protection Regulation (GDPR) applies since 25 May 2018. Specifically, Article 20 has the purpose of making significantly **easier for citizens to have any data which is stored with one service provider transmitted directly to another provider.**

Now, the new data protection regulation on portability has been developed to give the concerned **persons better control over their personal data.**

NGI, by the European Commission

The Next Generation Internet (NGI) initiative, launched by the EC in the autumn of 2016, aims at shaping the future internet as an interoperable platform ecosystem with values such as: **openness, inclusivity, transparency, privacy, cooperation, and protection of data.**

The NGI logo, consisting of the letters 'NGI' in a bold, blue, sans-serif font.

RE-SHAPING THE INTERNET FOR THE NEXT GENERATIONS

European project funded by the European Commission under the European Union's Horizon 2020 Research and Innovation Programme, and part of the European Commission's Next Generation Internet (NGI) initiative

The project - FSTP

Financial Support to Third Parties scheme:

- ▶ H2020/Horizon Europe funding distributed through intermediary organisations
- ▶ Main beneficiaries are startups and SMEs (not excluded to others)
- ▶ Small experiments of short duration (6-9 months)
- ▶ Small grant amounts (50k€-200k€ in several instalments)
- ▶ Additional supporting services: trainings, continuous coaching, mentoring, etc.

DAPSI

DAPSI

The aim

DAPSI will foster the **advanced research** for the delivery of **open-source results** in the **Services & Data Portability** field through the support to researchers, SMEs and startups or innovators providing **up to 150k€ of funding and a pack of services** such as coaching and mentoring in technical and non-technical areas
